[CD-ROM Editor's Note: This book first published in 1977 is a popular compilation of original material written by A. T. Jones and E. J. Waggoner. The material from this book will be found in the respective author's collection under the articles and other works from which the chapters were taken. To assist the CD-ROM user, the following are E. J. Waggoner's chapters in this book in the order in which they occurred there, the name of the work or periodical from which each was taken, the book code under which each chapter occurs, and the page.paragraph on which the material begins. The page numbers for the chapters in the compiled book are not given, as there are more than one edition of the book, with different paging. To facilitate locating the original, a link to the beginning of each has been provided.]
